

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They enjoy providing products that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements along with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When required, the workers within TREK and its numerous dealer members in both parts and in technical support would be obtainable. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines running and ready daily is top priority. The company's top of the line technology delivers reliable machinery that eventually reduces your cost of cleaning. The service, the product and the price all work as one in order to make them the leader in the trade.
