

## American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the industry as durable and strong equipment that satisfies all the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are obtainable in the market under the brand name "Encore". American Lincoln has the ability to supply warranty service, equipment and parts for these types of scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of several facility managers where efficiency and results count. Lately, this particular floor scrubber model has been used by the architects in different construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location because of the model's high standard of quality and utmost performance level for polishing concrete.
