

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Offering products, solutions and services in order to increase the productivity and to ensure efficiency within residential, industrial and commercial surroundings, Ingersoll Rand is very proud provider of products which help enhance the security, health, safety and comfort of people all around the world.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building services, parts support and advanced controls for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies division provides products and solutions that improve their clients' productivity, operations and energy efficiency. The product series is diverse ranging from tools and pumps, material and fluid handling systems to complete compressed air systems. They have even developed Club Car, the worldwide leader in golf and utility vehicles meant for companies and people.

Popular brands like for example Trane and Schlage compromise the Residential Solutions business, providing efficiency, comfort and safety to home owners all across North America. Several of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, portable security systems, advanced controls and remote home management.

The sector comprising Security Technologies offers products which ensure productive, secure and safe surroundings. This division's market leading products comprise door and floor closers, exit devices, portable security devices, biometric and electronic access control systems, cabinet hardware, steel locks, doors and frames, decorative hardware and locksets. Schlage even has products that provide attendance, personal and time scheduling systems.
