

Rockwell Part

Rockwell Parts - AxleTech International is a leading supplier in the globe of specialty vehicle drive-train systems and parts together with off highway vehicles. The business prides itself on being its clients' chosen supplier. AxleTech strives to exceed and meet their clients' expectations for quality, service, technology and delivery. They believe in working within an environment which supports the utmost integrity with empowered collaboration, along with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of environmental stewardship and safety in how they do business. The business has put different programs in place so as to articulate these values within their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with whatever comments or questions, as they are glad to share and promote this policy with a greater knowledge of their efforts. They are really dedicated to improving and preserving the natural world. AxleTech has an EHS program which not only protects the environment but which likewise actively protects their neighbors and staff also.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles used for both military and commercial applications. These applications vary from airport ground support to construction equipment. AxleTech specially designs axles to meet specific application demands. They have more than 1000 different axle specs within their present offering. With more than 100+ years of history and experience, AxleTech proudly supplies the most complete solution for whatever of your axle needs. The company is well known in several commercial and military applications. They offer complete axle assemblies for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details which can be found in the "ISAS" product collection.
